Raipur, Date: 09.03.2020

NOTICE

DEAR ALL FACULTY, STAFF AND STUDENTS!

THIS IS IN REFERENCE TO TAKING PREVENTIVE MEASURES TO COMBAT THE THREAT OF THE NOVEL CORONAVIRUS (COVID-19), GENERALLY TO ALL AND SPECIFICALLY FOR THOSE WHO WOULD BE RETURNING TO THE CAMPUS AFTER HOLI.

The Common Symptoms of Coronavirus (COVID-19) may include:

- **Fever**
- **Cough**
- **Shortness of breath**

As some cases of the virus have been reported in the country, you are advised to take necessary precautions and follow the advisory given below to help in prevention/reduction of the transmission of the virus:

1. **WASHING HANDS:** While washing hands, use an alcohol-based rub or soap and water to kill the pathogen. Do this frequently.
2. **COVERING COUGHS:** Use a tissue, or your bent elbow to cover your cough. This keeps virus-infected droplets away from those around you. If you use a tissue, dispose of it quickly and safely.
3. **SOCIAL DISTANCING:** Stay at least 1 metre away from people who're coughing or sneezing to avoid inhaling droplets.
4. **AVOID TOUCHING YOUR FACE:** If the virus has contaminated your hands after contact with another surface, it can infect you through your eyes, nose or mouth.
5. **IF YOU ARE SICK:** Here's a summary of WHO's advice for people living in areas where the coronavirus is spreading, or who've travelled to such places in the past two weeks. First and foremost, follow the hygiene measures above. If you're feeling under the weather, "even with mild symptoms such as headache and a slight runny nose", then stay home till you get better.

If you have fever, cough and breathing difficulties, immediately contact the University's Doctor Dr. R.K. Srivastava (94252-66406) or any other hospital in the city.

The landline number issued by the State Surveillance Unit is 0771-223509, 97133-73165 (District Hospital, Raipur) Toll Free No. 104.

By orders,
