## APPEAL TO THE PARENTS AND GUARDIANS

Hidayatullah National Law University is a residential University located at 25 k.m. away from the Raipur city having three Buses as conveyance facility for the students and two Ambulances for medical purposes. The students are allowed to go to Raipur city by University Buses daily and come back by the same. As a result there is no need of KEEPING VEHICLES BY THE STUDENTS. It has been noticed by the University administration that some students are misusing their vehicles and going without permission outside the University campus beyond permissible time limits and coming back at late night. It is causing serious indiscipline in the campus. Moreover untoward incident may happen against them because the University is located in a remote area and police stations are located at a distance of about 05 k.m. from the University campus. Some students have already become victims of accidents due to the misuse of their vehicles at late night.

In view of the security and safety of the students, the University appeals to the parents/guardians of the students to cooperate with the university administration by not providing two/four wheelers to their wards and withdrawing the same from them if they have provided the same, so that the University succeeds in ensuring/maintaining discipline and safer stay of students within the University premises.

If the parents/guardians do not take this appeal seriously and consequent upon that if any untoward incident takes place inside or outside the University campus, while using vehicles by students or otherwise, University administration will not be responsible for the same. It will be the sole responsibility of the students who use such vehicles and/or of the parents/guardians who allow their wards to keep/use such vehicles.
